U.S. PUBLIC HEALTH SERVICE
Pharmacist Professional Advisory Committee

United States Public Health Service
Excellence in Public Health Pharmacy Award
2023

Instructions:

- Complete all the sections of the USPHS Excellence in Public Health Pharmacy Award application (general information, brief citation, and narrative).
- Save the document as: ***USPHS_StudentAwardApplication_LastName_FirstName*** and send it as an email attachment.
- Email the completed application to USPHSPharmacyAward@fda.hhs.gov **no later than Monday, January 9, 2023.**
- A confirmation of receipt will be sent via e-mail to your school within 5 business days after submission. If you do not receive confirmation, please contact USPHSPharmacyAward@fda.hhs.gov. The school will be notified by **March 31, 2023** of the status of the award.

Reminder: Only one pharmacy student from each school or college of pharmacy may be nominated. The nominee's achievements must extend beyond school requirements. Nominations will not be accepted if the work is part of the student's required curriculum; this includes the required Introductory or Advanced Pharmacy Practice Experiences.

25. Nomination Narrative

Please DO NOT exceed two single-spaced, typed pages. Note: the nomination narrative must include each of the four headers listed below.

Accomplishment

This section should briefly summarize the accomplishment and its impact.

Background

This section is designed to give background information to the PharmPAC Student Awards Team who reviews all nominations. This section should include information about the nominee and any information necessary to understand the nominee's accomplishment.

Intervention

This section should state the specific action(s) of the accomplishment. This paragraph should explain what the student did to achieve this accomplishment. While not necessary, a bulleted list is an acceptable way to present the information in this section.

Outcome

This section should detail the impacts of the nominee's accomplishment, with a focus on the impacts of the accomplishment on public health. This section should be detailed, clear, and definite. While not necessary, a bulleted list is an acceptable way to present the information in this section.
