

**TO:** Surgeon General

**FROM:** CDR Leo Gumapas, PACE Co-Executive Director  
LCDR John Pesce, PACE Co-Executive Director

**SUBJECT:** Approval of Charter - DECISION

**ISSUE**

The Prevention through Active Community Engagement Team (PACE) requests approval of our new charter (Attachment).

**BACKGROUND**

The PACE program represents the Surgeon General and USPHS Commissioned Corps throughout the Nation and wherever Corps officers serve overseas. Created in 2013, the program leverages the expertise of Commissioned Corps Officers to provide education about the benefits of prevention in their local communities. Additionally, the PACE program will serve as an extension of the Office of the Surgeon General (OSG) to provide community outreach for all prevention related initiatives developed by the Surgeon General.

**RECOMMENDATION**

It is recommended the Prevention through Active Community Engagement Group Charter is approved.
