Readiness and Deployment Branch (RDB)

Field Medical Readiness Badge (FMRB) Required Training Modules

The FMRB is an optional badge officers may choose to pursue, enhancing their knowledge and deployment-related skill-set. For any officer wishing to work towards their FMRB and qualify at the basic Readiness level, they must successfully complete the following online training sessions:

I. Modules required for BASIC Level of Readiness (12)

- [IS-100.C: Introduction to Incident Command System](#) (previously IS-100.B)
- [IS-200.C: Basic Incident Command System for Initial Response](#) (previously IS-200.B)
- [IS-700.B: An Introduction to the National Incident Management System \(NIMS\)](#) (previously IS-700.A)
- [IS-800.D: National Response Framework \(NRF\), An Introduction](#)
- 110 - Disaster Response
- 140 - Preventative Medicine of Field Operations
- 141 - Health Consequences and Responses
- 142 - Disaster Triage
- 180 - Infectious Disease Management
- 182 - Terrorism
- 183 - ABCs of Bio-Terrorism
- 217 - Safety and Security Awareness

II. General modules required for Field Medical Readiness Badge

Field Issues (10)

- 111 - NDMS in Review
- 112 - DMAT Roles and Responsibilities
- 113 - Veterinary Issues in Disasters
- 114 - Disaster Mortuary Operational Response Teams
- 120 - Personal and Family Preparedness

- 121 - Media Relations and the Role of the PIO
- 122 - Personal Gear
- 125 - Occupational Safety and the Disaster Response Worker
- 147 - Critical Incident Stress Management
- 181 - Hazardous Materials Awareness

Special Environments (9)

- 137 - Outreach Activities
- 144 - Mass Gathering Medicine
- 185 - NDMS Team Operations in Hostile Environments
- 187 - Refugee Health Care
- 210 - Cultural Awareness
- 211 - Civil Military Operations
- 212 - Health System Design
- 322 - Public and Environmental Health

International Responses (4)

- 213 - International Deployment
- 214 - Staying Healthy Overseas
- 215 - The Fog of Relief
- 216 - Working Effectively Overseas

If category and/or primary deployment role is clinical*, an additional 15 courses are required:

Clinical (15)

- 150 - Airway Management
- 151 - Abdominal Trauma
- 152 - Thoracic Trauma
- 153 - Spinal Injuries
- 154 - Head Injuries
- 155 - Blast Injuries
- 156 - Heat Exposure Injuries
- 157 - Cold Exposure and Hypothermia
- 158 - Burn Injuries
- 159 - Crush Injuries
- 160 - Pediatric Care/Triage
- 161 - Field Dentistry
- 162 - OB-GYN Issues in Disasters
- 163 - Orthopedic Injuries and Stabilization during Disasters
- 164 - Eye Care Following Disasters

*Clinical Category and/or Deployment Roles

- Physician / Physician Assistant
- Dentist / Dental Hygienist
- Nurse / Nurse Practitioner
- Pharmacist
- Dietitian
- Veterinarian
- Therapist
- Mental Health (clinical social worker, psychologist, psychiatrist, etc.)
- Medical Technologist
- EMT
- Optometrist

Training Criteria: With exception of the four FEMA courses, complete all remaining required training courses posted within Responder e-Learn portal. “Certificate of Training” can be downloaded individually and uploaded directly into eDOC-U, under “Readiness” and “Training” sections.

Responder e-Learn Login: *located on CCMIS website, within the “Login” drop-down menu.*

For any IT-related assistance with Responder e-Learn, please visit the site and select “Get Technical Support” for both a direct phone number and email address, as this website is maintained by ASPR, not USPHS.

Fitness Criteria: Minimum fitness standard for FMRB eligibility requires achievement of: 75 points (“Excellent” level) in accordance with APFT standards effective as of 12/18/2015. Minimum fitness level achieved (or better) must be maintained at the time FMRB eligibility is determined.

Deployment Criteria: Complete one or more Corps deployments consisting of a minimum of 7-days. Deployment days may be accumulated from one or more recent deployments.

Time Requirement: Criteria for all required trainings, fitness level, and deployment days must be satisfied and maintained within a 3-year period at time of FMRB eligibility determination. Currently FMRB eligibility is only reviewed quarterly (JAN, APR, JULY, OCT).

FMRB Review: Officers who believe they have met all the requirements as outlined above must complete a self-assessed review prior to the official CCHQ review. FMRB eligible officers will receive further communication from RDB directly on the status of their badge processing after the quarterly review has been completed.

Yours in Service,
CDR Joseph Collins, DDS
