## WELCOME: TO THE NEW AMC TRAVEL RESOURCE PAGE

**Brig. Gen. Steven J. Bleymaier**  
AMC Director of Logistics,  
Engineering and Force Protection

Welcome to the Newly Designed Air Mobility Command Travel Web Site. Our new site now contains valuable information for both Official Travel and Space Available (Space-A) Travel. We hope you will find this site useful for planning your travel with AMC. Pet Travel information has also been provided to assist in preparing your pet for travel on the AMC Patriot Express flight or with one of our Commercial Airline partners. The Space-A page contains a vast amount of information on Space-A Eligibility including 100% DAV criteria. Space-A is a privilege that may offer substantial savings for your leisure travel. My team strives to provide a wide variety of information for our travelers to use in while making their travel preparations for either a PCS/TDY or to just get away to that special location to relax and unwind. Please take some time to explore this site. If for some reason you do not find the what you are looking for or have any questions concerning travel with AMC, please contact any AMC Passenger Terminal closest to your location for additional assistance.

## \*\* REMINDER TO TRAVELERS

*Passengers seeking Space-Available or Space-A travel: Please keep in mind that there is No Guarantee that you will be selected for a seat. Please be aware that Space-A travelers must be prepared to cover commercial travel expenses if flight schedules are changed or become unavailable to allow Space-A travel. Per DODI 4515.13, Section 4, Paragraph 4.L.a, Reservations: There is no guarantee of transportation, and reservations will not be accepted or made for any space-available traveler. The DOD is not obligated to continue an individual's travel or return the individual to the point of origin or any other point. Travelers should have sufficient personal funds to pay for commercial transportation, lodging, and other expenses if space-available transportation is not available.*

### Baggage Allowance

Each passenger is authorized two pieces of checked baggage not to exceed 70 pounds and 62 linear inches (sum of length+width+height) each. Bags larger than 62 linear inches and/or heavier than 70 pounds will be counted as two pieces and an excess baggage charge may apply. Excess baggage rates vary depending on your destination but will not exceed \$125. Excess baggage/pet fees can be paid by cash, check, or credit card. **Excess Baggage is Not Authorized for Space-Available Passengers.**

### Carry-on Baggage

Carry-ons must fit under the seat in front of you or in an overhead bin. Approximate dimensions are 9" x 14" x 22" for a total of 45 linear inches.

### Baggage Exceeding 80 Linear Inches and/or 100 pounds WILL NOT be Accepted.

Disposition of unauthorized weight or oversized baggage is the responsibility of the owner/traveler.

### Delays

*Controllable Carrier Delays* are defined as those that are within the control of the carrier, e.g., maintenance or late arrivals. In the event that a controllable delay occurs and it extends over a meal period, all manifested passengers (not to include *originating* Space-Available passengers, unless they had boarded the aircraft and it blocked out) will receive hot meals, billeting, and transportation to/from. *Non-controllable Carrier Delays* are defined as delays that are not within the control of the carrier, e.g., inclement weather or an Air Traffic Control delay. In this case, the Government assumes responsibility for all manifested passengers. If this type of delay requires an overnight stay, lodging and transportation to/from, will be provided. Meals are the responsibility of the traveler and are reimbursable through official travel per diem.

If Duty Passengers (NOT Space Available passengers) miss their commercial connection caused by an AMC mission delay, and arrive to the manifested destination is two or more hours after the scheduled arrival time or the passenger receives their baggage late, the contracted airline will reimburse the passenger for fees imposed by their connecting airline. An AMC boarding pass and documentation from the airline charging you the fee will be required to claim reimbursement.

## KC-10 Extender

The KC-10 utilizes the 24 step wide body staircase truck to board and disembark. If the slides are used in an emergency, passengers must be able to stop their decent before reaching the ground. It is a safety necessity to perform these tasks without assistance.

# AMC PASSENGER BOARDING REQUIREMENTS BROCHURE August 2018

*Unrivaled Global Reach for  
America...ALWAYS!*

Dear Traveler,

All passengers need to be aware of the challenges facing them when traveling on military aircraft. Passengers must be physically able to climb ladders, move within the body of the aircraft, and be able to egress the aircraft in an emergency. Passengers should not attempt to fly on military aircraft if they cannot meet these physical challenges.

#### C-5 Galaxy

The C-5 passenger compartment is accessible using either the 36 step C-5 staircase truck or when the C-5 staircase truck is not available, the 15 step wide body staircase truck and the 14 step interior ladder. If the slides are used in an emergency, without assistance passengers must be able to stop their descent before reaching the ground. This is sliding down from a height of 24 feet to a hard surface. It is a safety necessity to perform these tasks without assistance.

# NATO Hotels

- Many of the 28 NATO countries make their military hotels available to service members from other NATO states. However, this is not an advertised benefit, and since “there is no centralized Web site or office, not everyone knows about it,”
- France has the most info available; All French Military Hotels have a website....but most sites are in French !

# Space A Pearls

- Attend an informational briefing offered at respective air terminals
- Use AMC GRAM – Each terminal has one which contains terminal and local info; VERY useful
- Note flight patterns and schedules

# Tips for the Space-A Traveler

- Packing---keep it simple
  - Allotted two (2) pieces of luggage up to \*70lbs; -think about walk to billeting, different modes of transportation, etc.
  - Purchase universal converter (most base lodging have 110 volt, but just in case)
  - Check weather of your destination(s) and pack appropriate clothing (hiking, skiing, visiting a roman bath, etc.)

\* Some Space-A only allow one (1) piece of luggage no more than 30lbs—check with AMC

# Before You Hop

- **Research the country(ies) you plan to visit**
  - ✓ Do an online check of the base you will be flying into
  - ✓ Act as if you were PCSing there, look for the “newcomers” information---plenty of tips/customs and courtesies
- **Check with your phone carrier about adding international plan OR get a pay as you go when at your destination (available on base)**
  - ✓ might need it to check on Space-A departure, etc.

- Download travel apps----some do not require WiFi to work!
  - Currency exchange
  - Local metro map app (i.e. Paris, London)
  - Tripomatic (purchase the package that can be used w/o internet connection)
- Check out the Information Tickets and Tours (ITT), MWR, or USO online for your destination
  - Lots of day trips---great prices
  - Germany: [www.RTTtravel.com](http://www.RTTtravel.com)

- 
- Make billeting reservations in advance to all of the destinations you plan on visiting:
    - ✓ <http://www.dodlodging.net/>
    - ✓ Ask about CX policy----if you know you will not be making Space-A, you can CX/adjust reservation accordingly to avoid a no show fee
  - Rent a car and see the local sites
    - ✓ Make rental reservation online
      - ✓ *MUCH cheaper* than at rental counter
      - Rental companies in Germany: SIXT
        - ✓ Keep in mind, gas is more expensive outside of U.S.

- If going to Europe; convert dollars/buy currency ahead of time through your bank----save on commission fees
  - ATMs on base will dispense both local and U.S. currency (bank may charge a conversion fee)
- Think about getting an international CC
  - No foreign transaction fees when “shopping”
- Always carry some cash, some places do not accept CC (i.e. taxis and smaller dining establishments)

- Have your passport and CAC on you at all times AND **protect your belongings!!!**
  - Unfortunately, Paris has the worlds best pickpockets
- Use a fanny pack or carry your back pack securely
  - Carry water and light snacks
- Purchase souvenirs on base
  - Typically have off base vendors/merchandise but cheaper than on the economy

# Always have a Back up Plan

- Military Airfare: Some airlines offer a full refund on military airfare. On high demand routes, may want to purchase one way ticket for the return (as insurance) and if not used, get a refund; only cost is your time and effort
- Southwest offers no cost exchanges and full refund military airfare. American, Alaska, Delta also offer military airfare with varying rules but must call for all of these.

# Have FUN!!!

- TSA procedures enforced for AMC flights
- Research the country/base you will be visiting
- Be flexible and have a contingency plan
- Customs and courtesies---represent yourself and USPHS CC positively
- Space-A is a privilege NOT a right

# C-37= Gulfstream V

For DVs O-10s and above, but if seats avail = 😊

# HAVE FUN TRAVELING SPACE A!!
