ROLL CALL:

As noted above

APPROVAL OF FEBRUARY 2017 MINUTES:

The minutes from April 13, 2017, were approved by vote.

Note: due to the annual symposium, an MLSPAG meeting was not held in June 2017.

MLSPAG CHAIR UPDATES:

1. The PHS Scientific and Training Symposium was held in Chattanooga, TN this year from June 6-9. There were over 200 HSOs in attendance, including 19 from the MLSPAG. The format for category day this year was modified from previous years. Officers were seated together with their respective PAGs and each PAG was tasked to develop a strategic area for 2018.

   For 2018, the MLSPAG will develop and execute a laboratory cache orientation and training and this task will need to be completed by Dec 31, 2018. Technical Readiness Chairs, CDR June Germain and LCDR Jessica Damon will spearhead this initiative in coordination with LCDR Christopher Le.

2. The MLS Discipline will be accepting applications from August 14 to Sept 8. A call for volunteers was distributed to assist with the process.

   a. If you know of qualified candidates who are interested in joining us, please be sure to provide them with the details of the call for recruitment.

3. Uniform PAG SOP template: The PAC Voting members voted on the format of the new template last week at the leadership meeting; it is expected to be disseminated through the PAGs shortly.

4. SAFMLS: as part of our professional stakeholder engagement, the CPO has asked for us to engage with SAFMLS, by joining the organization, so that we can have a voice among our federal laboratory colleagues.
5. eCORPS: at the July Commissioned Corps Town Hall meeting, the Acting SG mentioned that The new electronic Commissioned Officer Resources Processing System (eCORPS) will replace the functions currently maintained in Direct Access (DA). Some of the additional features of eCORPS include a monthly leave balance history, a more user-friendly interface, and accessing pay, leave, and self-service information in one location. Stay tuned for the implementation of the new system in the upcoming months.

6. Per the updates given by RedDog, the latest list of 164 FMRB-eligible officers has been processed. Officers should now see documentation in Direct Access and the CCCMIS PIR. The next FMRB update will take place in October 2017.

7. As we move closer to the 4th quarter, PAG leadership will begin transitioning the PAG’s operations to CDR Babatunde Oloyede the 2018 PAG Chair, and his Executive Secretary, to ensure smooth transition.

MLSPAG SUBCOMMITTEE UPDATES

Awards  
LCDR Emmanuel Ndgenga – Lead, CDR Jeri Coats – Co-Lead

No update

Communications  
LCDR Lisa Flores – Lead, LCDR Charles Boison – Co-Lead

1. The HSPAC website is now fixed. We can begin submitting any changes to information, or additions such as newsletters, and meeting minutes.

2. Max.gov is now live. Everyone who has a .gov email address (e.g., lisa.flores@fda.hhs.gov) will be able to create a read only account. LCDR Charles Boison and LCDR Lisa Flores have administrator duties and can add documents to the site or make changes. The site should be used for team collaboration on documents like Subcommittee SOP’s, or By-Laws. Also, case studies can be added/viewed on this site for all to read. Newsletters and Meeting Minutes will still be posted to the HSPAC website.

3. Newsletter article submissions will be accepted from Sept 1-30, 2017

4. Newsletter release tentatively scheduled for the week of October 16, 2017

5. Sub-committee meeting scheduled for August 22, 2017

**GUEST SPEAKER: MS. CATHERINE STAKENAS (ASCP)**

*SPEAKER BIO*  
Catherine is the founder and President of CS Consulting. She provides clients with the tools and coaching they need to educate, assess, and measure their business and the performance of their employees. Catherine is a specialist in building the skills for individuals, teams, and organizations to successfully manage change.

Catherine currently works as the Senior Director of Organizational Development and Performance Management at ASCP. In 2014 she has built their Leadership Academy for all directors. This advanced leadership initiative seeks to tap the experience of their leaders and help redirect and broaden their skills. The Leadership Academy requires 110 classroom hours composed of core, elective, online courses, and Presentations of Learning in a Sharing Think Tank (STT). The STT is where participants share their stories in a Presentation of Learning” demonstrating how they utilized what they learned in the classroom and applied on the job. This Leadership Academy laid the ground work for the design and development of the “Leadership Institute” launching in July, 2017. The Leadership Institute is an on-line leadership certificate program for ASCP members and non-members.

In 2015, Catherine built the ASCP Management Academy for all levels of managers and those aspiring to be managers. This academy includes Cross-Departmental Training Seminars, Management Courses, a Mentoring Program and Presentations of Learning in the Sharing Think
Tanks. The academies are designed and developed with high levels of participant engagement, respected, valid, and reliable self-assessments, and peer to peer learning.

She has presented live leadership courses nationally and internationally spanning the U.S., as far as Abu Dhabi and Dubai.
