

COVER SHEET

IHS Student Award

Candidate Name: Annabelle Storch

IHS location: Lawton Indian Hospital (Oklahoma City Area)

Optometry School: SCCO at MBKU

Telephone: (949) 274-0779

Email: Annabellestorch.2019@ketchum.edu

Proposed citation (last sentence of paragraph):

Annabelle is being nominated for the IHS Student Award for her dedication to the American Optometric Student Association (AOSA) as president, dedicated service to the patients, relentless work ethic, and high aptitude for medical optometry shown at the Lawton service unit. Currently, she has obtained a pediatric residency position at SUNY and furthering her knowledge and education on a very special population of our patient base. While here, Annabelle has been organized, thorough, concise, and timely when working with both healthy and complex patient cases. Through her work with the AOSA, it is obvious she is a leader and devoted to the profession of optometry. She does not seem intimidated by the challenges optometry as a profession might face in the future, and we are lucky to have her on our team. Her future is bright. Lastly, she is a respectful, kind, and a positive personality to add to anyone's clinic. Her patient care and clinical skills are top notch and I would rate her at least a 9 on a scale of 10. Thank you for her consideration as the IHS student of the year.
