Keith Warshany, IHS*
Fengyee Zhou, USCG*

*NCPS certification renewals

The NCPS Committee would like to congratulate all of the pharmacists recently promoted for the 2022 promotion cycle!

CLINICAL SPOTLIGHT

NCPSC is excited to announce our next quarterly NCPS webinar. Join us on July 27th at 1400EST for the fourth webinar in the quarterly NCPS webinar series. This presentation will spotlight the Whiteriver Pharmacy Program.

https://www.zoomgov.com/j/1600812469?pwd=dDdJ0E5scjdxa0cwd EZz02c4MTISUT09

If you missed the webinar from last quarter, you can access using the link below.

https://community.max.gov/display/HHS/Webinar+Presentations

NCPSC is looking for pharmacists willing to present for our quarterly webinar series. Are you passionate about clinical pharmacy and have an area of expertise that can help others broaden their scope of practice? If you are interested in sharing what you are doing and would like an opportunity to present a national presentation to pharmacists, please email CDR Kyle Sheffer at Kyle.Sheffer@ihs.gov.

NCPSC would like to announce a new advanced certification in process
National Clinical Pharmacy Specialist – Diagnostic (NCPS-D) Certification
More information coming soon!

Indian Country ECHO offers a variety of no cost services aimed at expanding access to high-quality specialized care. ECHO programs are interactive online learning environments where clinicians can connect with peers, engage in didactic presentations, collaborate on case consultations, and receive mentorship from clinical experts. ECHO program topics include: Behavioral Health, Dementia, Diabetes, Infectious Diseases, PrEP, Substance Use Disorders, Trans and Gender-Affirming Care and many other topics. Visit Indian Country ECHO - Indian Country ECHO for more information.

NCPS NEWS

The Inpatient Intervention and Case Log is now available on the NCPS applications and forms section on the NCPS webpage. If you are an inpatient pharmacist and are interested in applying for NCPS certification reach out to your area representative if you have any questions on these new forms.

Sample Patient Encounter Log

Since our transition to a more comprehensive care model, the NCPS Committee has received many questions about the Patient Encounter Log. Here is a sample patient encounter log for your reference. Each practice is different and this log should reflect the vast scope of practice that we are involved in as we innovatively lead pharmacists across the nation.

Encounter	Date	Diagnosis addressed at this encounter
1	x/x/xx	DM2, immunizations, hypothyroidism
2	x/x/xx	DM2, immunizations, CVD, tobacco cessation
3	x/x/xx	Anticoagulation, CVD, immunizations, HTN
4	x/xx/xx	DM2, HTN, immunizations
5	x/xx/xx	DM2, immunizations, CAD, CKD
6	x/xx/xx	Tobacco cessation, DM2, asthma, immunizations

Note: All patient encounters must be within 12 months of applicant submission date. Each encounter must include at least two diagnoses, or one diagnosis and one preventative health intervention.

NCPSC members rotate every 3 years. If you are interested in serving on the NCPSC you should contact your area pharmacy consultant or your NCPSC representative for more information.

Position	Name	E-Mail
