NCPS was able to publish the article "Clinical Pharmacists Improve Patient Outcomes and Expand Access to Care" in the *Federal Practitioner* in October 2019. The article demonstrates the value of National Clinical Pharmacy Specialist (NCPS) certified pharmacist interventions to advance the practice of clinical pharmacy. You may view the article at https://mdedge-files-live.s3.us-east-2.amazonaws.com/files/s3fs-public/issues/articles/fdp03610471_1.pdf

If you were NCPS certified during the reporting period and submitted outcomes to NCPS, you should have received a Letter of Appreciation for your contributions at the beginning of December 2019. If you did not receive a letter and think you should have, please email Randy.Steers@chickasaw.net.
