Scientist Officers conduct high-quality science at their duty stations—in fields ranging from psychology to nutrition to molecular biology and beyond. The annual SciPAC Bibliography is a compilation of Scientist Officers’ publications and presentations. The bibliography is based on submissions and does not necessarily represent all works completed by Scientist Officers. It does highlight the wide array of scientific expertise as well as impact and reach of the Scientist Category. Scientist Officers names are shown in bold.

traditional investigational methods to solve foodborne outbreaks of salmonella infections associated with chicken: A new tool for tackling this challenging food vehicle. *J Food Prot.* 2017; 80(4):654-660

BOOKS AND BOOK CHAPTERS

**Dobmeyer AC.** Psychological treatment of medical patients in integrated primary care. Washington, DC: APA Books

**Goodie JL,** Ware CM, Hunter CL. Necessary training for psychologists working in primary care settings. Handbook of Psychological Assessment in Primary Care Settings, Second Edition p95-142, 2017

**Yi W,** Geetha J, Patwardhan D, **Phillips SK.** Antimicrobial and Anti-biofilm Medical Devices Public Health and Regulatory Science Challenges” in: Antimicrobial Coatings and Modifications on Medical Devices, Springer, 2017

REPORTS

Newland M. Program Quality Strategy Operationalization Document to operationalize Quality Improvement (QI) principals across PEPFAR to further achievement of 90-90-90 goals and to guide PEPFAR S/GAC HQ and all OU/USG Country Teams in preparation to develop implementation plans for a QI systems by FY19. This was included in the Country Operational Plan (COP) 18 Guidance in the Appendix. July, 2017. Government Publications

Newland M. Lead Protecting Life and Global Health Assistance Training Webinar with Ginny Baresch and Andrew Pettrucelli on Friday, August, 11th, 2017 to over 100 participants throughout HHS Op/Divs including senior programmatic leadership from CDC, FDA, HRSA, NIH, OS, and SAMHSA. The training provided clarification to HHS agencies to apply the provisions of the Mexico City Policy regarding the use of US Global Health Assistance funds. Government Publications

Wilken J. Hoang T, Hoshiko S, Smorodinsky S., Health and medical impacts of the Detwiler Fire—Mariposa County, California. CDPH Report. 2017

Wilken J. Caution: fire ash in home gardens. CDPH Lay Audience Public Fact Sheet. 2017

Wilken J. Reduce exposure to ash when returning home after a fire. CDPH Lay Audience Public Fact Sheet. 2017
ABSTRACTS and PRESENTATIONS

Bowen VB, Llata LR. Kirkcaldy Combating antibiotic resistant gonorrhea. 2017 USPHS Scientific & Training Symposium, Chattanooga, TN

Breiding MJ, The Epidemiology of Sex Differences in the Incidence of TBI. Invited presentation at the National Institute of Health 2017. Invited Presentation

Breiding MJ, Epidemiology of TBI; Invited presentation at the Annual National Research Action Plan Review and Assessment Meeting, Fort Detrick, Fredericksburg, MD 2017. Invited Presentation

Oster AM, France AM, Panneer N, Wertheim JO, Ocfemia MCB, Dasgupta S, Hernandez ALRecent and rapid HIV transmission in the United States is focused among young Hispanic/Latino men who have sex with men.” International AIDS Society Conference on HIV Science, Paris, France, July 23-26, 2017

**DiMisa DE.** Forensic Psychological Assessments and Mental Health of Federal Pre-trial Inmates. *126th Annual AMSUS Meeting – The Society of Federal Health Professionals, National Harbor, MD*

**DiMisa DE.** Forensic Psychological Assessments and Mental Health of Federal Pre-trial Inmates. *PHS Commissioned Officers Foundation for the Advancement of Public Health, Chattanooga, TN*

**DiMisa DE.** Assessing Federal Pre-trial Inmates. *Seventh Law-Psychology Forum on Current Issues in Forensic Psychology, New York, NY*

**Dobmeyer AC.** The intersection of primary care behavioral health and specialty behavioral health: Strategies for improve care coordination and communication. *Paper presented at the Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury Summit, Silver Spring, MD*

**Landoll RR, Dobmeyer AC, Nielsen MK, Robinson PJ.** Advances in Primary Care Behavioral Health: Data to guide us and competencies to ground us. *Continuing education workshop presented at the meeting of the American Psychological Association, Washington, DC*

**Flowers A, Goodell J, Driesse A, Thomas H, Barra S.** Emergency Preparedness Ambassadors: Opportunities to build community resilience by engaging Health Department Employees in National Preparedness Month activities. *Preparedness Summit, April 25-28, 2017*

**Flowers A, Annelli J, Bara S.** Let It Snow: Public Health’s role in planning for, responding to, and recovery from cold weather emergencies, including Winter Storm Jonas. *Preparedness Summit, April 25-28, 2017*

**Gahl RF.** Domestic Smokeless Tobacco Products: Challenges in Characterization and Regulation; Office of Compliance and Enforcement/Office of Science Seminar Series, *Center for Tobacco Products, FDA, February 2017 Seminar*

**Gaines J, Stoney R, Kozarsky P, Perz J, Brunette GW, Sotir MJ.** Novel Population-Based Surveillance of Medical Tourism Among US Residents – 2016. *International Society of Travel Medicine, Barcelona, Spain; May 2017*
