

Continuing Education (CE) Contact Hour Initiative

LCDR Christine Brady (Co-TL) and LCDR Brett Dodd (Co-TL)

The Career Development Subcommittee's Continuing Education (CE) Contact Hour Initiative was established to identify continuing education (CE) opportunities to support SciPAC officers, especially during conference limitations during the COVID-19 pandemic. The team makes these CE opportunities available to officers via the SciPAC website.

The identified CE opportunities are available to all officers online, free of charge, and accessible at any time. Potential training categories include:

- Leadership
- General Readiness/ Resilience
- Communications/ Public Speaking/ Writing Skills
- Promotion Preparation
- Health and Wellness
- Public Health Ethics and Public Health Law/Ethical and Legal Implications related to Public Health
- Cultural Competency

This most recent CE list was compiled by a team of dedicated officers: **LCDR Christine Bradley (Co-TL), LCDR Dodd Brett (Co-TL), and LT Brent Huber**. Past team contributions were made by CAPT Mark Scheckelhoff, CDR Eric Zhou, and LT Kristin J. Marks. If you would like to share the training opportunities to be included on the training list, please email LCDR Christine Brady (Christine.s.brady.mil@health.mil), and LCDR Brett Dodd (Brett.A.DoddJr@ice.dhs.gov).

New opportunities are highlighted in yellow.

Course Title/Code	Course Description	Sponsor	Location	Contact Hours
A. Field Medical Readiness Badge (FMRB)				
FMRB-Module 137	Outreach Activities	DHHS	https://respondere-learn.hhs.gov/course/view.php?id=20&topic=1	0.5
