Centers for Disease Control and Prevention. Electronic Cigarettes. Get the facts about electronic cigarettes, their health effects and the risks of using e-cigarettes.	https://www.cdc.gov/tobacco/basic_information/e-cigarettes/index.htm
National Institute on Drug Abuse (NIDA). NIDA TV Spotlight on Electronic Cigarettes.	https://www.youtube.com/watch?v=Iz67lqkLwYs
American Cancer Society. What do we need to know about E-Cigarettes?	https://www.cancer.org/healthy/stay-away-from-tobacco/e-cigarettes-vaping/what-do-we-know-about-e-cigarettes.html
<i>For Clinicians</i>	
This was embedded in the new American Academy of Pediatrics "Tobacco Use Clinician Toolkit" resource. This resource was recently made public. In addition to the billing/coding resource, you will find printable graphics/educational resources, suggestions for using EHR effectively for increasing screening rates, and it highlights disparities (including AI/AN and AA). The billing/coding resource provided in this article is the most comprehensive one available.	https://www.aap.org/en/patient-care/tobacco-control-and-prevention/youth-tobacco-cessation/

<p>Article authored by CDR Brian Burt: The Electronic Cigarette Epidemic in Youth and</p>	<p>https://journals.lww.com/jaapa/Fulltext/2020/03000/The_electronic_cigarette_epidemic_in_youth_and.3.aspx</p>
<p>American Academy of Pediatrics: Vaping, JUUL and E-Cigarettes Presentation Toolkit. The American Academy of Pediatrics toolkit contains a customizable slide presentation for clinicians to use at any presentation. It also includes clinic handouts in English and Spanish, and many other really good resources.</p>	<p>https://www.aap.org/en-us/advocacy-and-policy/aap-health-initiatives/Richmond-Center/Pages/vaping-juul-e-cigarettes-toolkit.aspx#:~:text=%E2%80%8BVaping%2C%20JUUL%20and%20E,rounds%20or%20other%20educational%20presentations.</p>
<p>For Schools</p>	
<p>School E-cigarette Toolkit: The school kit is from the Minnesota Dept. of Public Health who really jumped on the vaping issue very early on. They provide resources for schools as well as a customizable presentation that you can take to your kids school. Many of us can probably remember getting that smoking talk when we were in school.</p>	<p>https://www.health.state.mn.us/communities/tobacco/ecigarettes/schools/index.html</p>
<p>For Parents</p>	
<p>"Get Your Head Out of the Cloud"- American Lung Association The parental resource is a new resource from the American Lung Association. It is a public awareness campaign with the Ad Council that equips parents with the facts about e-cigarettes and support conversations before kids start to vape. The kit includes free educational resources and guides, conversation starters and facts about vaping</p>	<p>https://www.lung.org/quit-smoking/helping-teens-quit/talk-about-vaping?utm_source=TalkAboutVaping.org&utm_medium=redirect&utm_campaign=AC_YVAP&utm_content=BRND_PSAC_EN_VanityURL</p>
<p>National Institutes of Health – National Institute on Drug Abuse. Vaping Devices (Electronic Cigarettes) Drug Facts.</p>	<p>https://www.drugabuse.gov/publications/drugfacts/vaping-devices-electronic-cigarettes</p>
