~ A Rewarding Opportunity ~

The USPHS Commissioned Corps Music Ensemble began in 2000 and has matured into an assembly of about 100 dedicated officers. The Ensemble is now conducting a recruitment effort to bring aboard new officers who have a musical interest. The Ensemble Groups perform at PHS, HHS and non-HHS (e.g., COA, National Naval Medical Center) events throughout the year. Participation at these events through musical performances provides officers an opportunity to "connect" with the Commissioned Corps and with a range of agencies and organizations in a way that is both unique and rewarding. If you have an interest in participating with fellow officers in providing a musical experience to audiences in and around the DC Metropolitan Area and other locations in the U.S., please contact the following officers who will provide you with the information you need to become a member:
