2013 VETERINARY CATEGORY PROMOTION BENCHMARKS

PY 2013 Guidance Regarding Promotion Precepts and Benchmarks for Commissioned Corps Officers

Officers competing for promotion are rated on the five Promotion Precepts described in the electronic Commissioned Corps Issuance System (eCCIS) Instructions 331.01 (old CCPM 23.4.1) "Permanent Grade Promotions", and 332.01 (old CCPM 23.4.2) "Temporary Grade Promotions", and noted below. To assist officers in better understanding the Promotion Precepts, the Precepts are described in terms of Factors. Each Factor has a Benchmark, which is a level of achievement for the officer given the category and grade.

The purpose of this Guidance is to inform officers and promotion boards of the levels of achievement per Promotion Precept generally considered to describe the "best qualified" officer for a specific category at a specific grade. This document can also benefit the officer in setting some personal long term goals for his or her career advancement.

The Chief Professional Officers (CPO) and Professional Advisory Committee (PAC) Chairs, in consultation with their constituent category members, revise the Guidance annually to reflect the ever changing missions and policies of the Corps. All five Promotion Precepts are identical for all categories, as are the Benchmarks for Promotion Precepts 1, 4 and 5. The Benchmarks for Promotion Precepts 2 and 3 are category-specific.

The benchmarks for Precepts 1 - 5 are levels of achievement and/or standards of excellence that describe the "best-qualified" officer. They serve as a basis by which officers can be measured within each category. No Officer is expected to meet all the standards for Precepts 1 - 5. Many promoted officers will have achievements that exceed the factors for one or two precepts, but may not meet all the factors for others. Therefore these Benchmarks should not be considered a checklist of activities that must be completed in order to be promoted. Quality and impact of an officer's service is far more important than the quantity of activities in which they participate.

The individual factors within each Precept are not listed in priority order. The importance of each factor is left to the discretion of the Promotion Boards. The members of the Promotion Boards review the service records of each officer under consideration for promotion and each assigns a score for the specific Promotion Precept. Promotion Board members exercise their professional judgment and discretion in the review and rating of each record.

There is no time period that limits which of the officer's activities and accomplishments are eligible for consideration. However, activities and accomplishments subsequent to an officer's last promotion should receive priority consideration.

The Promotion Precepts are weighted as follows:

 Performance Rating and Reviewing Official's Statement (Performance) 	40%
2. Education, training, and professional development	20%
3. Career progression and potential	25%
4. Professional contributions and services to the PHS Commissioned Corps (Officership)	15%
5. Basic Readiness	***0%

IMPORTANT NOTE:

Although the Readiness precept no longer carries any weight with regard to numerical score for promotion, basic readiness remains one of the several administrative checks for promotion. Officers

in a "not ready" status at the 31 Dec OFRD status report prior to the promotion year will receive an automatic Board Not Recommend. In addition, officers in a "not ready" status at the subsequent 31 Mar OFRD status report, who were otherwise successful, will be removed from the successful list. Officers are advised to maintain basic readiness at all times.

Promotion Board members examine many documents in the officer's electronic Official Personnel Folder (eOPF) during the promotion review. Examples of these documents include, but are not limited to: Commissioned Officers' Effectiveness Report (COER); Promotion Information Report (PIR); curriculum vitae; the Officer's and Reviewing Official's Statements; award narratives; and letters of appreciation. The most recent COERs (e.g., the last 3-5 years) are generally given the most consideration by Promotion Board members, although earlier COERs may also be reviewed. Promotion Board members evaluate both the values of the COER and the accompanying narrative.

Career development resources (e.g., Curriculum Vitae (CV) reviews, mentoring, internet training tools, career development seminars, fellow officers) provided by the PACs, agency liaisons, Office of Commissioned Corps Operations (OCCO), and the CPOs should be explored and fully utilized by all officers.

The Benchmarks will change as the Commissioned Corps continues to evolve. Any comments or suggestions that you have on the Benchmarks may be submitted to your PAC Chair, and will be carefully considered for incorporation into the next annual revision.
