I earned my Doctorate of Pharmacy in 2009 from Hampton University School of Pharmacy (HUSOP) in Hampton, VA. While attending HUSOP, I was commissioned as a SRCOSTEP by Winslow Indian Health Care Clinic in Winslow, AZ. After graduation, I moved to Winslow to begin my obligation for the SRCOSTEP program. I worked as a staff pharmacist from May 2009 until February 2012.

In February 2012, I transferred to the Federal Bureau of Prisons in Edgefield, SC to serve as the Chief Pharmacist serving over 2,400 inmates. As of April 2013, I have been working with the FDA in Silver Spring, MD as a Regulatory Project Manager with the Office of Generic Drugs facilitating the generic drug process.

I have been an active member of JOAG since 2009. I was fortunate to serve as last year's Co-Chair for the Recruitment and Retention Committee and I look forward to working with my fellow junior officers as the Awards Committee Co-Chair during this operational year.
