

September 2009 PharmPAC Meeting
Recruitment Section

Exec Section
CDR Jeff Mallette

- Pharmacist Vacancy Document workgroup has been reactivated and the lead is CDR Glenna Meade.

Website Update
Given by CDR Chi-Ann (Ruby) Wu & CDR Jeff Mallette

- Website Posting Protocol workgroup has been formed with approximately 16 members. CDR Chi-Ann (Ruby) Wu is the lead for this group and the Website Subsection. The workgroup will hold their first teleconference meeting this Friday, Sept 25.
- Mission of the Posting Protocol Workgroup is to complete a posting protocol:
 - LCDR Roberta Szydlo is the task leader for the posting protocol project and CDR Shayne Blackmon is the task leader.
 - for the subgroup to review the current content on the website
 - which will identify the author/owner of documents posted to the PharmPAC Recruitment subsection website
 - identify the frequency in which links will be updated to maintain the PharmPAC Recruitment subsection website

UPOC / PHSpharmacist.org Update
Given by CDR Brent Hobbs & CDR Jeff Mallette

- CDR Vermilyea is accepting articles on recruitment activities for the Fall 2009 UPOC Newsletter - submission of photos of the event are highly encouraged.
- UPOC Workgroup has been formed
 - 23 member workgroup
 - Members have been assigned to the UPOCs for 4 to 6 schools.
 - Phase 1 is finishing up: The workgroup members have contacted their assigned UPOCs, introduced themselves, and updated their UPOCs status. This information is being used to update the UPOC listing for the PharmPAC website (the list is currently quite dated).
 - Phase 2 will begin soon: the workgroup members will be trained on how to navigate www.phspharmacist.org. Then they will contact their assigned UPOCs twice a year and offer to assist them or to enter any UPOC activity in the .org site. This will be an on-going project/process.
- Phase 1 has led to a number of schools with no contacts - an advertisement to fill these UPOC positions was sent out and some holes were filled but some still exist:
Butler University
Purdue University
North Dakota State University

Touro-New York
University of Toledo
South Carolina (NOT University of South Carolina)
East Tennessee State University
Lipscomb University
Union University
Texas Tech University
University of Dallas
University of Wyoming

- UPOC program has removed the primary and secondary designations.

Student Programs Update
Given by LCDR Kavita Dada

- October Message to be sent regarding Costep Applications
- September Message was with regards to the Application process to PHS
- LCDR Christine Oliver and LCDR Kavita Dada to give a presentation at PharmPAC meeting outlining the activities of the subsection

PBKS Update
CDR Peter Vermilyea

- Annual salary additions to document were approved at last month's PharmPAC Business meeting. PharmPAC members recommend two additional revisions - 1) change photo on front and 2) add more info regarding TSP.
- CDR Peter Vermilyea has made these changes. The annual civilian pharmacist salary review will be done later in the fall
