EMPLOYMENT/PHS ASSIGNMENTS and EXPERIENCE:

- 9/06 – current **Supervisory Medical Officer** (Billet 01HF569, grade equivalent: 06)
Associate Director for Medical and Scientific Affairs, Office of [redacted]
Center for Drug Evaluation and Research, Rockville, MD
U.S. Food and Drug Administration
- Direct and coordinate the Office’s post-marketing surveillance activities and risk-based approaches to compliance and enforcement actions undertaken by the Office
 - Oversee the application of qualitative and quantitative analyses to identify, assess and prioritize legal violations for compliance action based upon their public health significance
 - Direct the Office’s strategic problem solving activities to select projects for intervention and evaluate the effectiveness of such interventions in reducing the public health risks associated with drug products marketed in violation of the Food, Drug and Cosmetic Act and related laws
 - Advise the Office Director and Deputy Director, the Center director, and all program managers on the activities of the Office, providing technical medical and scientific perspective and input into policies and initiatives
 - Advise the Office Director on programs, policy and resource issues and concerns which bear upon planning, development, and administration of compliance programs for the regulated drug industry
 - Provide guidance and direction by identifying training needs, evaluating performance, selecting qualified candidates for appointment and fostering career development
 - Represent the Office and Agency on major Department and Agency Initiatives, including the Drug Safety Oversight Board, the Patient Safety News Editorial Board, the Drug Safety News Bulletin Editorial Board, and the HHS Pandemic Influenza Planning and Preparedness Working Group
- 3/03 – 9/06 **Supervisory Medical Officer** (Billet 01HF212, grade equivalent: 06)
Team Leader, Clinical Evaluation Team, Division of [redacted
name]Programs
Center for Food Safety and Applied Nutrition, College Park, MD
U.S. Food and Drug Administration
- Supervised and led physicians at the doctorate level in the collection and analysis of data related to the regulation of dietary supplements

- Directed the development of individual expertise and the collection of the substantial scientific evidence for particular dietary ingredients and products necessary to support regulatory and enforcement actions
- Coordinated interaction with foreign regulatory agencies, inter and intra agency communications, and collaborations with national academic centers in determining and supporting the scientific and research priorities and needs concerning dietary supplement safety issues
- Developed clinical standards for the evaluation of individual adverse events within the context of the regulatory, legislative and administrative framework for dietary supplements
- Author, edit and direct the development of patient education summaries on individual dietary ingredients, addressing use and safety concerns
- Represented the Center and Agency at industry, academic and interagency conferences and meetings on clinical dietary supplement issues
- Served as the lead Division contact for budget planning and coordination of resources for implementation of dietary supplement regulatory and enforcement actions
- Provided technical and broad subject matter expertise in the development of an electronic database system for the collection, processing and evaluation of adverse event reports for dietary supplement safety signals generation
- Chosen as the FDA representative to the HHS Primary Health Care Policy Leadership Fellows Program for 2004
- Chosen as the CFSAN representative to the Leadership in Government eGovernment Fellows Program for 2003-2004

10/02 – 3/03 **Medical Officer IV** (Billet 01CC204, grade equivalent: 06)
Center for Food Safety and Applied Nutrition, College Park, MD
U.S. Food and Drug Administration

- Provided clinical review of adverse events involving dietary supplements and ingredients
- Provided clinical assessment for Health Hazard Evaluations resulting in regulatory actions involving dietary supplements
- Developed Standard Operating Procedures for better reporting and monitoring of dietary ingredients' adverse performance and safety evaluations
- Authored correspondence for Congressional Inquiries, Consumers and Manufacturers on Dietary Supplement use and safety

5/02 – 9/02 **Acting Clinical Director**, Southern Bands Health Clinic,
Elko Service Unit, Phoenix Area Indian Health Service
Indian Health Service, Elko, NV

- Developed and implemented action plan for meeting JCAHO Survey requirements on short notice resulting in successful Full JCAHO Accreditation
- Provided clinical leadership to Service Unit staff, including monitoring and scheduling of contract and sub-specialist providers for approximately 15,000 visits per year for Family Practice, Pediatrics, Internal Medicine, Audiology, ENT, Ophthalmology, Dental, Oral Surgery, Podiatry, Psychiatry, Pharmacy, Chronic Pain Management, and Public Health Nursing

- Developed Peer Review and Continuity of Care policies for achieving continuous quality care objectives to meet JCAHO requirements
- Developed strategic options and plan for implementation of Telemedicine Services at Elko Service Unit
- Implemented Aggregate Data Collection and Analysis process for Total Quality Management and Continuous Improvement in Clinical PI projects, including Diabetes, Well Women and Continuity of Care modules
- Redesigned and Implemented the Service Unit Performance Improvement process incorporating greater integration with Tribal and Community programs
- Reorganized the Managed Care/Contract Health Services process to increase transparency. Established standards and criteria to improve utilization and efficiency, improved communication with Tribal members and clients to improve their interaction with CHS to decrease appeals and improper use of CHS services.
- Implemented expansion of services integrated with Phoenix Area IHS network, utilizing services within the entire Phoenix Area
- Provided training for the transition of Service Unit Leadership (replacement of CEO)

1/01 – 9/02

Telemedicine Programs Coordinator

Phoenix Area Office, Indian Health Service, Phoenix, AZ

- Developed Needs Assessment for determining applicability and utility of telemedicine technology/service at various Service Units in the Phoenix Area
- Identified and Developed Applications for Alternative Funding for Telemedicine from federal, state and third party payment funds
- Coordinated Contracts, Purchase Orders, Work Requisitions and Agreements for intra/inter agency requested telemedicine services and networks
- Developed Phoenix Area Telemedicine Strategic Plan
- Served as an Advisor with the Arizona Rural Telemedicine Network Strategic Advisory Group and the Arizona Department of Health Services Telemedicine Advisory Group
- Advised Area Director and Chief Medical Officer on telemedicine advances, applications and opportunities for collaboration and expansion with intra and extra agency stakeholders
- Organized and lead a Regional Archiving Group to discuss and develop Digital Image Archiving needs and plans across Area, state and regional boundaries
- Provided leadership and assistance to individual Service Unit development of telehealth capabilities and applications

1/01 – 3/02

Maternal Child Health Consultant, Office of Health Programs

Phoenix Area Office, Indian Health Service, Phoenix, AZ

- Reviewed OB/Gyn related Tort Claims involving IHS facilities and Providers
- Developed methods for tracking, monitoring and reporting Phoenix Area GPRA indicators for:
 - Mammography screening rates
 - Pap Smear screening rates
 - Immunizations

- Developed Practice Guidelines for Management of Diabetes in Pregnancy, DMPA Contraception, STD Monitoring and Treatment
- Provided direct Obstetrical and Gynecologic clinical services to IHS clients at multiple Phoenix Area Service Unit Clinics

3/99 Promoted to **Senior Clinical Specialist** (Billet 01HG064, grade equivalent: 05)

2/99 – 10/99 **Deputy Chief, Dept of Obstetrics and Gynecology**
Phoenix Indian Medical Center, Indian Health Service, Phoenix, AZ

- Assisted in the supervision of 8 MD and 9 CNM providers
- Coordinated Department relations with outlying service units and other hospital departments
- Coordinated Departmental Data collection and review
- Coordinated the development of Department Mission, Vision and Values Statements along with Strategic Plan for implementation of Services

1/98 – 6/01 **Medical Director, Native American Women's Clinic**
Phoenix Indian Medical Center, Indian Health Service, Phoenix, AZ

- Coordinated clinical services for 20 MD, CNM, and NP Providers with over 17,000 visits per year, including specialty clinics for Teen Pregnancy, Gyn Procedures, OB High Risk, Well-Women, and collaboration with WIC and SOBRA programs
- Developed processes for increased collaboration with Organizational, Tribal and Community-based resources for Preventive Care and Case Management
- Developed the High Risk Obstetric Patient Registry and Multidisciplinary Work Group to address issues of Access, Utilization and Service Integration
- Developed and Implemented Pap Smear and STD Registries for tracking and treatment of patients
- Standardized Informed Consent Procedures, the Patient Education Process and Documentation, and Patient Information Handouts
- Developed Patient Satisfaction Surveys for use in Continuous Quality Improvement
- Developed and Implemented a Scheduling Policy to address concerns of Patient Access, Referral Services and Availability, in the process Eliminating a 3 month wait list and Decreasing Patient No-Show rates by 50%

1/97 – 1/98 **Director, Gynecologic Surgical Services**
Phoenix Indian Medical Center, Indian Health Service, Phoenix, AZ

- Developed Provider Profiles for use in Continuous Quality Improvement and Recredentialing Procedures
- Implemented Hysteroscopy services with practice guidelines for credentialing, review and applications
- Coordinated Gynecologic Clinical Services involving 8 IHS clinics that performed over 250 Major Procedures and 300 Minor Operative Procedures
- Coordinated Departmental Morbidity and Mortality Reviews

6/96 – 3/99 **Staff Medical Officer** 01HG061 (billet equivalent grade: 04)

- Provided Obstetrical and Gynecologic Services to IHS clients at PIMC and Phoenix Area Outlying Clinics and Hospitals
- Supervised Resident Training and Education
- Organized and Moderated a Regular Department Journal Club with external funding
