

Curriculum Vitae Summary Sheets (Date)

Rank Name, M.D., M.P.H.
PHS #; Category: Medical

Performance

- Serve in dual assignment for Indian Health Service and Centers for Disease Control and Prevention through an inter-agency agreement
- For Indian Health Service: provide ambulatory, emergency and inpatient care to adult and pediatric care in rural hardship site; as Co-Director of Health Promotion – Disease Prevention activities for Zuni IHS Hospital co-wrote first community health assessment, directed water promotion campaign, co-wrote successful diabetes prevention grant.
- For Centers for Disease Control: lead epidemiologic studies about binge drinking and health outcomes; direct alcohol surveillance activities; provide technical assistance to state health departments for alcohol epidemiology; mentor EIS Officer and Preventive Medicine Resident
- Have received 5 PHS Honor Awards since 2002 (2 Outstanding Unit Citations, 1 Commendation Medal, 2 Achievement Medals)
- Co-recipient of 2005 Public Health Research Award as member of CDC Alcohol Team, awarded by National Center for Chronic Disease Prevention and Health Promotion
- Overall 'E' rating for COERs

Education, Training and Professional Development

Training and Development	Certification	Year (s)	Field of Study
Preventive Medicine Residency, CDC	Preventive Medicine	2001-2002	Alcohol Epidemiology
Epidemic Intelligence Service, CDC	EIS Certificate	1998-2000	Public Health
Internal Medicine-Pediatrics Residency; Massachusetts General Hospital, Boston, MA	Board Certification (internal medicine and pediatrics)	1991-1995	Internal Medicine, Pediatrics

Education	Degree	Year(s)	Field of Study
University of Massachusetts Medical School, Worcester, MA	M.D.	1986-1991	Medicine
Harvard School of Public Health, Boston MA	M.P.H.	1989-1990	Public Health
Harvard College, Cambridge MA	Batchelor of Arts, <i>magna cum laude</i>	1982-1986	History and Science

(summary sheet continues on page 2)

- Unrestricted medical licenses for states of [states names redacted]
- Current Drug Enforcement Agency license
- Board Certification in Internal Medicine (year redacted, recertification in year redacted)
- Board Certification in Pediatrics ([year redacted], recertification in [year redacted])
- Board Certification in Preventive Medicine (year redacted)
- >200 hours of continuing medical education since 2004

Career Progression and Potential

DATE	ASSIGNMENT	OPDIV	LOCATION	BILLET	RANK
2004-present	Medical Officer III (Clinical) Zuni HIS (50%); Alcohol Team, CDC (50%)	ABQ Area, IHS	Zuni, NM	0-5	0-5 P 0-5 T
2002-2004	Medical Officer III (Epidemiology N.S.) Alcohol Team, CDC	NCCDPHP, CDC	Atlanta, GA	0-5	0-5 T, O-4
2001-2002	Preventive Medicine Resident	NCCDPHP, CDC	Atlanta, GA	0-4	0-4
1998-2000	Medical Officer II (Epidemiology) Epidemic Intelligence Service Officer, assigned to the Minnesota Department of Health	EPO, CDC	Minneapolis, MN	0-3	0-3

Geographic Mobility

- 2004-present Zuni, New Mexico
- 2001-2004 Atlanta, GA
- 1998-2000 Minneapolis, MN

Agency Mobility

- 2004-present: Indian Health Service (50%) and Centers for Disease Control (50%)
- 1998-2004: Centers for Disease Control and Prevention
- 2002, 2003: Indian Health Service 6-week TDYs

Characteristics of Career Officer and Service to the Corps

- 10 PHS awards, including 7 since 2002
- Serve in isolated hardship site caring for underserved population
- Co-supervise an EIS Officer and a Preventive Medicine Resident for CDC Alcohol Team
- Precept medical students and residents who are doing their rotations at Zuni IHS Hospital
- Applied for assimilation in 2005
- Served two 6-week TDYs with the Indian Health Service in 2002 and 2003; served 3-week deployment to New York City following anthrax attacks in October, 2001; served 2-week deployment to provide care to Kosovo refugees at Fort Dix, NJ in July, 1999

Readiness

- Basic Readiness qualified

Name, M.D., M.P.H.

Professional Experience:

2001-Current **Medical Epidemiologist, [name of redacted] Team, Centers for Disease Control and Prevention, Atlanta, GA (50% time since 9/2004)**

- Lead epidemiologic studies on the health effects of binge drinking and excessive alcohol consumption.
- Coordinate alcohol-related surveillance activities.
- Provide technical assistance to state health departments related to alcohol epidemiology and surveillance for alcohol-related conditions
- Serve on the Scientific Workgroup for Alcohol Related Disease Impact software development project.
- Serve on Coordination Committee to develop an alcohol chapter for the Community Guide to Preventive Services.

2004-Present **Staff Physician, Indian Health Service, Zuni Public Health Service Hospital, Zuni NM (50% time since 9/2004)**

- Provide inpatient, emergency, outpatient adult and pediatric health care on the Zuni Indian Reservation.
- Co-lead Health Promotion Disease Prevention Program, which works on community-based prevention activities and hospital-based quality improvement initiatives.

2002-2004 **Assistant Professor, Department of Family and Preventive Medicine, Emory University School of Medicine, Atlanta, GA**

- Provide clinical care for adult and pediatric patients.
- Precept family medicine residents in outpatient clinic.
- Co-lead small group in “Patient-Doctor” course for Emory medical students.

2000-2001 **Medical Specialist, Acute Disease Epidemiology Section, Minnesota Department of Health, Minneapolis, MN**

- Managed 12-hospital methicillin-resistant *Staphylococcus aureus* surveillance system; led investigations of community-acquired methicillin-resistant *S. aureus*.
- Served on state task force to promote judicious antibiotic use; obtained funding to launch campaign to promote appropriate antibiotic use.
- Initiated and edited “Bug Bytes”, a bi-weekly email newsletter for infection control practitioners, microbiologists, infectious disease physicians, and public health officials in Minnesota.
- Supervised two Master of Public Health student research projects.

2000-01 **Staff Physician, Fairview Eagan Health Center, Eagan, MN**

- Physician in internal medicine-pediatrics group; provided outpatient care for adult and pediatric patients.
- Supervised clinical care provided by family practice residents.

1999-2001 **Clinical Instructor, Department of Family Medicine, University of Minnesota Medical School, Minneapolis, MN**

- Faculty preceptor for residents training in family medicine at Smiley’s Clinic (outpatient care) and at Fairview University Hospital (inpatient attending for the Family Medicine Teaching Service).

1995-98 **Staff Physician, Indian Health Service, Zuni Public Health Service Hospital, Zuni NM**

- Provided inpatient, emergency, outpatient adult and pediatric health care on the Zuni Indian Reservation.
- Chaired morbidity and mortality committee, served on alcohol committee, ambulatory care committee.
- Taught medical student and residents during their clinical rotations.

1997-98 **Clinical Instructor, Department of Family Practice, University of New Mexico Medical School, Albuquerque NM**

- Clinical Assistant Professor.
- Instructor for residents and medical students.

1995 **Pediatrician (temporary), Hospital Albert Schweitzer, Deschappelles HAITI**

- Performed ambulatory, emergency and inpatient care.

Training:

- 2001-2002 **Preventive Medicine Residency Program, Centers for Disease Control and Prevention, Atlanta, GA**
- Worked for Alcohol Team, Division of Adult and Community Health, National Center for Chronic Disease Prevention and Health Promotion.
 - Led the development of a first-ever binge drinking module for a national risk factor survey, oversaw module implementation in 12 states.
 - Responded to anthrax attacks as part of CDC team based at the New York City Department of Health Laboratory.
- 1998- 2000 **Epidemic Intelligence Service Officer Program, Centers for Disease Control and Prevention, Atlanta, GA**
- Based in Acute Disease Epidemiology Section, Minnesota Department Health, Minneapolis, Minnesota.
 - Led investigations of community-acquired methicillin-resistant *S. aureus* (MRSA) infections, an emerging infectious agent.
 - Initiated Minnesota Department of Health efforts to promote appropriate antibiotic use.
 - Led 9 acute infectious disease outbreak investigations and assisted with 6 others
- 1991-95 **Internal Medicine-Pediatrics Residency Program, Massachusetts General Hospital, Boston MA**
- Resident in combined internal medicine and pediatrics program, leading to board certification in both specialties.
 - Provided continuity ambulatory care at MGH Revere Health Center.

Education:

- 1986-91 **University of Massachusetts Medical School, Worcester MA**
M.D. degree conferred June, 1991.
- 1989-90 **Harvard School of Public Health, Boston MA**
M.P.H. degree conferred June, 1991.
- 1982-86 **Harvard College, Cambridge MA**
Bachelor of Arts, *Magna Cum Laude* June, 1986.

Medical Licences/Board Certifications:

Board Certification, American Board of Internal Medicine; 1995, 2005 (re-certification)

Board Certification, American Board of Pediatrics; 1995, 2002 (re-certification)

Board Certification, American Board of Preventive Medicine; 2003

[state redacted] medical license # [redacted]

[state redacted] medical license # [redacted]

Honors and Awards:

- 2006 *Achievement Medal* (USPHS); for work done as a clinician at Zuni Indian Health Service Hospital.
- 2006 *Outstanding Unit Citation Award* (USPHS); for work done by the Alcohol Team, Centers for Disease Control and Prevention.
- 2005 *Public Health Research Award* (CDC, NCCDPHP); awarded to members of the Alcohol Team for high quality epidemiologic research with relevance to public health practice.
- 2005 *Isolated Hardship Award* (USPPHS); for Service in rural underserved area.
- 2003 *Achievement Medal* (USPHS); for work on CDC's Alcohol Team.
- 2002 *Commendation Medal* (USPHS); for work related to community-acquired methicillin-resistant *Staphylococcus aureus* and for efforts to promote the appropriate use of antibiotics; 7/98-6/01.
- 2002 *Outstanding Unit Citation Award* (USPHS); for work as part of a CDC responding to the anthrax-related bioterrorism event in New York City; 10/01.
- 2002 *Crisis Response Service Award* (USPHS); for service in Operation Provide Refuge.
- 2002 *Mayor's Commendation* (New York City); for response to anthrax attacks in New York City; 10/01.
- 2000 *Primary Care Teaching Award* (University of Minnesota); awarded by family medicine residents at Smiley's Clinic.
- 2000 *Outstanding Unit Citation Award* (USPHS); for work as member of the Rotavirus/Intussusception Team; 7/99-12/99.
- 1999 *Outstanding Unit Citation Award* (USPHS); for work as member of the Leptospirosis Response Team; 7/98-9/98.

- 1998 *Bicentennial Unit Commendation (USPHS).*
- 1990 *Alexander Fellowship (Management Sciences for Health); an international public health fellowship.*
- 1982-86 *Dean's List, Harvard College.*
